

# STEEL CITY ALUMNI ASSOCIATION

---

## MEMBERSHIP DONATION FORM

---

To help better run the Association, we are asking you for a small annual donation of \$25. This is a voluntary donation that will not only help us cover our standard operating expenses but will allow us to run more events on a more frequent basis. Near the beginning of each academic year, we will do a similar collection. Any help you can offer is greatly appreciated.

In addition to our annual Golf Outing and Founder's Day celebration, we'd like to coordinate events including poker tournaments, tailgates, homecoming events, and more.
