

Steel City Alumni Association Newsletter

September 2009

Upcoming Events:

October 17	Steel City Golf Outing
October 24	Homecoming – USF
February 27	Founders Day

Thanks to all of you who attended Founders Day in February to celebrate 75 years of Gamma Sigma. It was a huge success and George Miller brought down the house with his concluding remarks. If you haven't looked at the summer issue of the Shield and Diamond yet, check out page 35. A short article and photo on our Founders Day celebration was printed into the Alumni Association News section.

The Steel City Alumni Association website, www.pittpika.com, is operational again, so go check it out. We are starting off with limited content, but plan on expanding its functionality as soon as we can. A big thanks to Perry Servedio for developing the site.

Starting with this newsletter, we will only be sending out a newsletter in the mail once a year in the winter prior to Founders Day. Due to cost and logistics, it is no longer feasible to send out a newsletter in the mail more than once a year. The website will be the primary method of communication. Newsletters will be posted to the site and an email will be sent out with a hyperlink to the newsletter.

If you know any brother who did not receive this newsletter, please forward it to them or send their email address to Doug Wolfe at pittpikesalumni@gmail.com. To those of you in western PA who did receive a newsletter in the mail, sorry, we had some logistic issues. You probably received it after or right before the original date of the golf outing.

The annual golf outing is now scheduled for Saturday, October 17th at the Birdsfoot Golf Club in Freeport. Please see the included flyer. To keep the costs down, we are not including food and beer as part of the outing price. The golf outing is always a good time for alumni and undergrads. Come out if you can make it and drag a brother with you. If you are interested in playing, please return the registration portion of the flyer to Scott Coxon by Wednesday, October 7th.

The date for Founders Day has been set for February 27. Mark your calendar now! The venue has not been set yet. More information will follow in the winter newsletter.

Now that fall is here, it's time for the annual dues of \$25. A huge thank you to everybody who contributed last year, but the Association still needs your financial support to keep moving forward. Please return the membership form included in the newsletter to Doug Wolfe with your dues.

The Association needs more than just your financial support, we need your involvement and ideas too. Even if you don't live in the Pittsburgh area, your help would be very much appreciated. To make the association successful we need involvement from as many people as possible. If you would like to become involved or just have some ideas you want to share, please contact one of the officers.
